A BOOK AND A BALLET PRINCESS CAMP

This summer, The Dance Experience will be offering a class for imaginative young dancers and future royalty. Princess Camp will be a 45 minute class for dancers age 3-5 years and held on Wednesdays from 5:00-5:45 p.m., throughout the month of July. Each week the class and all activities will revolve around a theme (Cinderella, Sleeping Beauty, Beauty and the Beast, The Little Mermaid). We will begin with a short warm up and then read a story related to one of these characters/ princesses. The princesses will then dress in their royal costumes (over their leotard and tights) and act out the story using accompanying music and appropriate ballet/dance steps. Each princess will be introduced to basic dance steps, choreography and musicality. Tuition for the session will be \$100.00 for new students and \$80.00 for current Dance Experience students. All interested students should fill out the bottom portion of this form and return it to the studio with payment in full. Class size will be limited, so please register early.

Ballet, Tap and Jazz Program

This Clinic prepares students for those wishing to compete as well as the recreational students. It is for both the seasoned dancer, as well as the highly motivated beginner. All students invited to audition for the Competition Company are **required** to participate in the summer clinic dance program. All classes are critical to each dancer's progression; therefore, more than one absence may result in a student being eliminated from consideration for the 2008/2009 competition season. **All paper work must be completed and returned by June 16, 2008.**

\$200.00 for the session. Ballet is required for all auditioning for Company.

All classes will be held during the month of July, beginning the 2nd.

Ballet will be held 3 days a week beginning July 8th.
